ORDER 95-025

RESCISSION OF WASTE DISCHARGE REQUIREMENTS FOR:
CITY OF PITTSBURG, MARINA, DREDGING AND DREDGE DISPOSAL,

The California Regional Water Quality Control Board, San Francisco Bay Region (hereinafter Board), finds that:

1. Water Code Section 13263(e) and the State Board's regulations (Title 23, CAC, Section 2232.2) require the board to review Waste Discharge Requirements periodically and determine if the requirements are adequate or necessary.
2. In January, 1987, this Board adopted Order No. 87-2 prescribing Waste Discharge Requirements for the City of Pittsburg's Marina, Dredging and Dredge Disposal project in Contra Costa County. The Dredging and Dredge Disposal project was subsequently carried out by the City of Pittsburg (hereinafter discharger).
3. The discharger has completed the project and has no plans to continue it in the future.
4. This action to rescind Waste Discharge Requirements is categorically exempt from provisions of the California Environmental Quality Act (CEQA), pursuant to Section 15321 of the Resources Agency Guidelines.
5. The Board has notified the discharger and interested agencies and persons of its intent to rescind Waste Discharge Requirements and has provided them with an opportunity for a public hearing and consideration of their comments.
6. The Board, in a public meeting, has heard and considered all comments pertaining to the discharge.

IT IS HEREBY ORDERED, that Board's Order No. 87-2 is rescinded.

I, Loretta Barsamian, Executive Officer, do hereby certify that the foregoing is a full, complete and correct copy of an Order adopted by the California Regional Water Quality Control Board, San Francisco Bay Region, on February 21, 1996.
